Magnet Painting

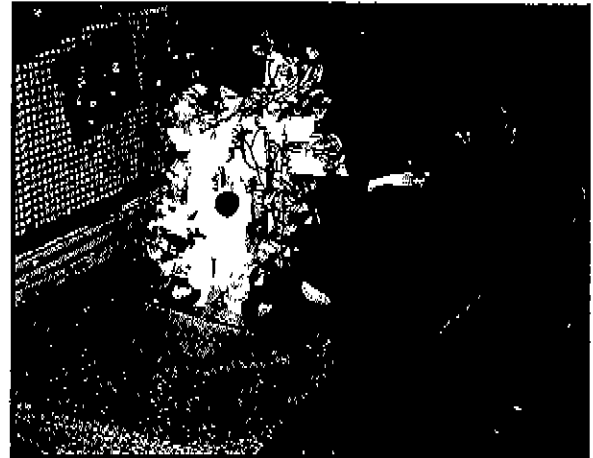

Magnet Painting

Materials:

- Paper clips
- A strong magnet
- Magnetic cookie sheet (not all cookie sheets are magnetic so check to be sure before you purchase one)
- Tempera paint
- Paper

Directions: Place a sheet of paper on the cookie sheet. Lay 3 paper clips on the paper. Put several drops of tempera paint on the paper. Place the magnet under the cookie sheet and drag the paper clips through the paint and around the paper to create a design.

Joyous Junk Stable

Joyous Junk Stables

Materials:

- Pieces of Styrofoam us for Packing
- Feathers
- Chenille wire
- Toothpicks
- Sticks
- Popsicle sticks
- String
- Construction tape in a variety of colors (can be purchased at home improvement stores)
- Ribbon
- Small dowels
- Cardboard tubes

Directions: using the florist foam as a base, create a 3-dimensional sculpture with the materials provided.

Cut and Create Center

Cut 'N Create Center

Materials

- Egg cartons
- Pipe cleaners
- Yarn
- Construction paper
- Buttons
- Sequins

Directions: Keep a supply of materials for cutting in the center for children to use for open ended creations. Vary the materials from time to time to maintain interest.
